

# destination **WEDDING & PORTRAIT** photographer

Intimate, spontaneous and engaging.  
Elegant and ironic. Timeless.

## WEDDING - ELOPEMENT

I'm a storyteller and I love to shoot real life emotions. Stories of two people who love each other in a unique and special way. Couples who choose each other forever and entrust the memory of this moment full of emotions to images that are true, elegant and timeless. I never follow rules when I shoot a wedding, but I keep my heart and eyes wide open to catch everything that happens in each unique story to tell.
